### **HIGHLAND STONE® FREE STANDING WALL 3- and 6-inch combination featured on Landscape Smart**

On April 21, tune into Landscape Smart on HGTV to see the construction of a backyard project featuring both Highland Stone® Free Standing Wall and Aspen Stone®.

Anchor Wall Systems Installation Specialist Tim Huinker helped build the projects and is interviewed during the show.

Take advantage of this publicity for Highland Stone Free Standing Wall. Encourage your customers to tune in and see a great project.

The show airs at 9:30 a.m. Eastern Time, April 21. It is also scheduled to air June 10.

## [Promotions and Support from AWS](#)

Photos from the project are currently posted on the AWS Extranet. A highlights reel will be available for your use early this summer.
